FIRST NATIONS
COMMUNITY FINANCIAL

Remember the Holiday Loan that we make available at the Thanksgiving & Christmas holiday time? It is now available for the Summer Holidays and vacation time!

Our Holiday Loans are now offered up to \$1,000.00 each. This will help build your credit when paid consistently. Here are a few things to remember to qualify:

- Have less than \$5,000.00 in collections
- Employed for minimum of six months (not including COVID break of employment)
- For Ho-Chunk Nation employees, we ask for voluntary wage assignment
- We calculate for affordability based on your income vs. your debt (40% or less)
- Payback for the \$1,000 amount is one year (you can take out less if desired)

Keep in mind we allow one outstanding Holiday Loan per client, therefore if you are looking for a Holiday Loan at Christmas time, the Summer one should be paid in full.
